

CONTACT FOR QUESTIONS REGARDING CONTRACT DOCUMENTS

The Standard Specifications are revised as follows:

SECTION 102, AFTER LINE 20, INSERT AS FOLLOWS:

102.03 Contact for Questions Regarding Contract Documents. *If apparent errors, discrepancies, or unclear statements are found in the contract documents, Project Engineer for the Toll Road, Randy Allen shall be contacted by telephone, (574) 674-8836, or by fax, (574) 675-0286.*

HAZARD COMMUNICATION PROGRAM

The Standard Specifications are revised as follows:

SECTION 106, AFTER LINE 193, INSERT AS FOLLOWS:

Pursuant to the requirements of OSHA, the bidder shall inform its employees concerning the health and safety hazards of chemical substances that may be required in the performance of the contract work. The bidder shall complete and sign the form included in the Proposal Book and submit the completed form with the bid.

TOLL ROAD PASSES

The Standard Specifications are revised as follows:

SECTION 107, AFTER LINE 87, INSERT AS FOLLOWS:

The Indiana Toll Road Division (ITR) will issue non-revenue passes to the Contractor and his Sub-Contractors as needed to perform the work on this contract. The Prime Contractor shall be responsible for correct use of the passes by his workers and Sub-Contractors. Improper use of the Toll Road by Contractor's employees who do not have valid passes will be strictly prohibited. The passes shall be obtained from the Project Engineer, or other designated representative, Fax # 574-675-0286.

CONTRACTOR'S VEHICLES & PERSONAL VEHICLES

The Standard Specifications are revised as follows:

SECTION 107, BEGIN LINE 240, DELETE AND INSERT AS FOLLOWS:

~~Non-operating construction equipment, worker's vehicles, and materials, field offices, field laboratories, and temporary offices~~ may be stored on the right-of-way no less than 9 m

SECTION 107, AFTER LINE 261, INSERT AS FOLLOWS:

All vehicles and equipment used in connection with or by the Contractor or any of his Sub-Contractors on the job site shall be marked with the Contractor or Sub-Contractor's company name. All vehicles and equipment used on the Indiana Toll Road, County Road or State Highway right-of-ways, shall have all lights and equipment in good working condition. All vehicles that enter or cross traffic areas shall be equipped with an operating warning light or lights, which are visible from all

directions. The warning lights shall meet or exceed the requirements enforced by the Indiana State Police.

No privately owned vehicles will be allowed on the Indiana Toll Road mainline. The Contractor shall provide transportation of workmen to and from his staging area to work sites. Workmen's vehicles may be parked on structures carrying local roads over the Toll Road or outside of toll plazas provided that such parking does not create a hazard to passing traffic.

HOLIDAYS

The Standard Specifications are revised as follows:

SECTION 108, AFTER LINE 345, INSERT AS FOLLOWS:

Only construction activities, which are approved by the Engineer, will be allowed on holidays. Deliveries and activities on holidays, which cause construction equipment to cross lanes on the Toll Road, will be strictly prohibited.

PARTIAL PAYMENTS

The Standard Specifications are revised as follows:

SECTION 109, BEGIN LINE 574, DELETE AND INSERT AS FOLLOWS:

From the total of the amounts ascertained as payable an amount equivalent to no less than ~~3%~~ 5% of the whole will be deducted and retained by the Department until after substantial completion of the entire contract in an acceptable manner, except as set out in 105 IAC 11-3-8 of the Rules For Prequalification of Contractors And Bidding. The balance, or an amount not to exceed ~~97%~~ 95% of the whole less all previous payments and less amounts claimed which are required to be held by the Department in accordance with Indiana Code 8-23-9-26 through 8-23-9-39, will be certified for payment. When a
